

Art 10/20 Course Overview

Mrs. Butler

ICSS Mission Statement

"The mission of Immanuel Christian Secondary School is to provide a Christian environment in which God calls all his children to develop and use their gifts for joyful service in his Kingdom".

Students will explore art techniques and media, discovering and developing their own unique creative expression while growing in their understanding of who their Creator is.

The elements and principles of design will be discussed in class, will form the framework for assignments and projects, and be implemented in student work. The timeline is flexible depending on work habits of the students, school events and holidays.
