ICSS Dress Code

Immanuel Christian
SECONDARY SCHOOL

Why a dress code?

The goal of this dress code is to encourage students to represent themselves in ways that honor God and that align with the context of attending a Christian School. Guidelines are not set with the intention of communicating shame or judgement. We believe that we are “fearfully and wonderfully made;” we do not want to suggest that certain body types or body parts are bad. Instead, we wish to guide students to dress in ways that support their individuality while also encouraging a community of respect, purity, and modesty.

Follow through:

If we believe a student is not following these guidelines, we will speak with them about their choice of clothing. Again, the heart of the conversation is not shame, but about guidance and development within our Christian community.

Guidelines:

- Undergarments should be covered at all times.
- No clothing that shows your midriff or shirts with an open back.
- No spaghetti straps.
- No clothing that displays vulgar, offensive, or un-Christian messages.
- Please consider your body structure in terms of neckline and length of shorts; it is difficult to prescribe arbitrary measurements for these areas. Instead, we ask that you choose clothing that covers your body in ways that demonstrate modesty.

*I praise you because
I am fearfully and
wonderfully made;
your works are
wonderful, I know
that full well.*
